“ I met Donna through our mutual friend, Ronaly Hofseth. We three would attend bookclub meetings, lunches, movies, and other activities locally. Donna was a very sweet person, with a smile that lit up any room she was in. She was so gentle with others, and would sometimes come out with a funny quip that would leave our gatherings in stitches. I miss her greatly and just hope that she is happy in her next life and is treated as gently as she treated others in this life. To her family I say, you are lucky to have had such a wonderful person as Donna in your lives. Love you, Donna.

“ Donna was a good friend to me for close to ten years. We met in the community book club and continued sharing books and authors all through the years. Donna and I spent many hours walking and we enjoyed many plays, author luncheons, art exhibits and museums. We also spent many hours at chair yoga, cooking and arts and craft classes through the years. Most of our adventures also included a breakfast or lunch out. Donna was so proud of her boys and always ready to share updates. Donna will be sorely missed. My condolences to Joe, Zachary and Daniel.

“ Donna was always so friendly, soft spoken, and most often times at various Chapin library events with her two sons Daniel & Zachary... which made them all UNIQUE (to me). Her son's are as delightful as their mom! I was (& STUNNED (& still am) to hear of her passing and my heart HURTS for her son's, husband and extended family! I will MISS seeing her and talking with her... but know she is in a good place! Donna... you are MISSED!!!
