“ Donna was always so kind. I sat on the row behind her at church and she always had a smile for me. I counted her as a very special friend and mentor in the UMW. She will be deeply missed. I know she is singing with the angels now. My thoughts and prayers go out to her family and loved ones.

“ Ma, I do not have long memories of you as I'm sure most on here do. From the first moment I met you, you made me feel like part of the family. I will be forever grateful for that. I spoke with you many times, while in the hospital, about us sitting around the pool together. I always enjoyed your company, especially there. I am so glad you all we're able to come out so often this summer. As I sit here now, I can feel your presence and I miss you terribly. I am just glad that your suffering has ended and you are at peace. Don't worry, we will keep an eye on Pap. Your almost son-in-law, Dan
