“ I grew up in Socastee and was a classmate of both Donny and his sister Marie. Donny and my brothers were close friends since they were young boys. I remember when my younger brother , John Cooper Muggin was killed in a car accident on Christmas Eve. I was stationed in California at the time but when I got back home -- I remember that Donny and his family were doing their best to help support my family. I really appreciated their support and I know that my brothers and sisters did as well. Just a few months ago when my brother Thomas was recovering from heart surgery at at Grand Strand hospital, Donny came up to visit and when they told him only family members were allowed - he told him he was Thomas's brother to get in and visit him. He later told the nurse -- well, he's just like a brother, we've known each other all our lives. I know this is a terrible loss for the family and especially hard for Melt and Rosalee. I am so sorry for your loss. God bless you.##imported-begin##Mary L. Mendez Cooper##imported-end##
