“ We spent many summers down at the river with our grand parents Doris and Raymond Smith. We were always welcome next door by Mrs. Dickerson. She was always like a family member to us and we will surely miss her friendly happy smile. She was always happy and smiling. I would like to send love and prayers to all the family. So sorry for your loss. We will keep you all in our prayers.

“ Dear Ray, Larry & Russell,

I just learned of your sweet mother's passing and send my love. Also my thanks to God for the generous heart and spirit that your mother had- always welcoming; always ready to hug! Donzelle's generosity & hospitality still present & a welcoming spot for many. My parents enjoyed eating (especially fried fish !) there for many years. Thank you! Terrific memories.

*Love you all,

“ Donzelle was such a great Christian Lady...we are so proud to have had the opportunity to share a few years of our lives with her. I will always think of how she shared some of her beautiful plants/flowers with us after we moved back to Conway...replacing the ones we had to leave when we moved back "home" from Charleston, SC. She had such a love for flowers and growing things and a sharing nature! Loved people, too! Will never forget her sweet smile and the times we gathered at her house for our Senior luncheons instead of having our meeting at the church! Your family were so blessed to have her as a big part of your life!

“ It was always a pleasure to visit Donzelle's restaurant, especially if Ms. Donzelle was there, whether you were eating there or delivering groceries from Lauries' IGA. She was always such a sweet, outgoing lady. Seems like she always called most people honey. Her and her family have always been a gracious and loving group of people. North Conway will never be the same without her. We love you all.
