“*Heaven gained an awesome angel. So sorry that she will no longer be here on Earth with us but she is happy being with Charles. We love you Doris and will miss you terribly. Lakeside will not be the same without you.*

“*We met Doris and Charles shortly after we moved to Lakeside, in 2007. We would talk often in the pool and grew to be good friends. Went to their 75th anniversary celebration at Christ United Methodist Church. They were a wonderful couple and will be missed by sooooo many people. It was an honor to have known them both. They always put sunshine in our days.*

“*We've known Doris for almost 6 years. She was quick with a smile, hug & a joke. Whenever we were with her, I'd tell her that I want to be just like her when I grow up. I think she took it as a joke, but I cannot think of another person I'd love more to emulate. She's with her darling Charles now - exactly where she wanted to be, but our world is a little less bright without her. Rest In Peace, Doris - I still want to be like you.*

“Doris was indeed a vital part of our Lakeside community. She stayed active, always chipper and friendly, with her quick wit and no hesitation to say what’s on her mind. We first met in 2015 while commiserating over our back problems, and have been dear friends ever since. Doris is now with her soulmate Charles (that makes me smile and content, even though we had to lose her in our lives). I sure hope that there is Rainbow Bridge in heaven. With all of our love dear Doris. Cheley & Rick Domico

“Doris was a very compassionate and caring lady. She always inquired about my health. She and Charles always sat in front of me at church. I loved them dearly. You will be missed Doris but I am now happy that you are with Charles.

“ *Doris and Charles were just the most beautiful couple, sweet and loving and caring. I got to know Doris a bit better after Charles had passed. She and I went to lunch together several times. She was so active and busy - amazing for her age. I will miss her so much. She was an inspiration! My sincere condolences to all of her children and grand children and great grandchildren.*
Doris and Charles were blessed with a wonderful, loving family!

What an absolute sweet couple Doris and Charles were. Doris missed him every single day. But that didn't take away her sense of humor and her welcoming nature to everyone in Lakeside Crossing. ...Doris was our Matriarch, and her absence will be felt forever. Hope you are dancing in Heaven w Charles dear Doris 💕💕
