“ My mother, Marion Jones, and Doris were friends from as long as I can remember while my sister and I were growing up on LI. Once they had both moved down to Murrells Inlet, my daughter and I took annual trips to visit with my Mom and always hung out with Doris, who would whisk Kristine away to play dress-up with her...and they both would reappear in fancy clothes and makeup! In later years when my mother became ill, it was Doris who looked after her and kept us up to date. I playfully called her Minnie (affectionately short for "enemy"-based on some silly game we played when I was very small) and that's how she always signed her cards to me. We would keep in touch with notes and an occasional phone call. The last time I heard from her she shared a picture of the 4 generations of Lohr women. She was so proud! Doris, I truly will miss you but know you are now at peace.

With much love to your family, Karen Jones-Johnson

“ I lived across the street from Doris & Frank in my teenage years and always loved visiting them and swimming at the pool together. I added several "mice" to her collection over the years and she loved showing me all the newest ones. In the 35 years that I've known Doris she was always a kind and generous soul - a good Christian lady. She will be missed.

Doris was a great person, giving many hours to helping others and opening her home to those who needed help. She was very caring during Barbara's illness and will be remembered always in our hearts.
