“ I am so thankful that my sweet Aunt Doris used to come to California to visit us and altho we didn't see her as often as we wanted, she never failed to call and send notes to tell me how much she loved me and the family here and always made it known we would be welcomed anytime in South Carolina.  
My mom is Opal's daughter Sharon Ann, and God saw fit to take them both home with him at the same time in Dec. but a few yrs apart. Hopefully they are all having another awesome family reunion in heaven.  
I want to send my love and prayers to all our family and to my cousins the Johnson boys and their families, as well as the other special ones in the other states, I truly share in your loss and feel sad to also say goodbye for now. Your mama is a one in a million wonderfully beautiful lady who touched my heart and will be truly missed greatly. Much Love and Hugs from California💕💙
