“ Doris was one of my best friends. She always was such a classy lady. She would tuck me into a beautiful bed and gently shake me in morning to have a lovely breakfast and off we went to art class. She talked often of her family and shared Facebook pics with me. I will miss her dreadfully. My prayers for all the family

“ I am so grateful that I had the chance to get to know her, her smile always brightened my day. She always had such a peaceful soul that I would always feel when she was around, I cannot put it into words any other way, she just did. Her beauty, grace, and presence will not be forgotten by me. All of my thoughts and prayers go out to you and your family.
