“ I haven't seen any of the family for a long time but I will never forget and will always treasure the visits when I was a little girl from Uncle John and Aunt Dodie. Much love, prayers, and condolences.

“ So sorry for your loss. Dodie was such a lovely lady. We loved listening to her stories of her earlier years. She had such a wonderful outlook on life. She really lighted up when talking about her family. We loved playing dominoes and card games with her at the clubhouse. God Bless you Dodie - you will be missed by many people.
