“ *Myrtle Beach will NEVER be the same without Doris! If you did not know her age, you would never have guessed it, as she was a beautiful woman both internally and externally! She was always doing something for someone or going somewhere to meet the ladies. The few times I spent with her, were never boring. My next visit to Myrtle Beach will indeed have a huge void! Take solace in knowing your Mother/Grandmother was loved by so many and will be dearly missed.*

*Doris Watson will be sorely missed at the American Legion Post 178, Murrells Inlet. Doris was an inspiration and the epitome of what the American Legion Families stand for and are about. Her devotion to helping others and her determination to get other people involved was amazing. The way she moved about, the activities in which she was involved, and the way she loved to celebrate life, made her seem as though she was a lady much, much younger in age than she actually was.*

*On behalf of the Officers of the American Legion Post 178, our deepest sympathy to Doris' family and know that you are in our thoughts and prayers. May God Bless Each of You.*
