“ I have so many wonderful memories of Aunt Doris. Taking me to school when I was 5 on “little sister day”. The excitement of her senior prom. Christmas Eve at her house. All the good desserts she made And so much more. She will be missed by us all. Nancy

“ Some years ago, Doris, Norman, and Sandy showed up at our home in Poughkeepsie for a brief, surprise visit. We did try to get them to stay overnight but while they wouldn't do that, they did stay long enough for Sandy to enjoy a swim in our pool and we had a great visit with Doris and Norman. One of many happy times I will have to remember.
