“ Claude, Debbie, Linda, and Jeff, I have been thinking about you guys and hope you are doing well under the circumstances. I know how much we will miss Dottie. Buddy and I have been reminiscing about all the good times our neighborhood gang shared, sitting on your front porch exchanging stories. Dottie was always so cheerful and fun to be with. I feel like I have lost a part of my heart. However, there is some solace in knowing she is probably sitting on a fluffy white cloud in heaven looking down on us with a big smile on her face. We will see all of you on Saturday. Kay###imported-begin##Kay Hammond###imported-end##
