“ It seems like only yesterday that we moved to Myrtle Trace in 1992 and met Dotty and Rocky soon after when they moved next door. The husbands enjoyed playing golf and the wives enjoyed the card games and dinners with them. We pray for Rocky and their family and we know Dotty is in a beautiful place.

“ I remember her lovely smile and how tickled she was when her grand babies were born. She was a wonderful hostess when we visited her home. I know she also fell in love with our mutual great grandson, little John. (Everyone did). May she Rest In Peace and know she was loved.
