“ Dottie and I were friends as little girls growing up in NJ (Camden). We attended the same church and when she moved to Collingswood, NJ, we kept in touch. Although I had not heard from her for a while I did have an opportunity to e-mail her several years ago after her e-mail address was posted in her reunion bulletin, since my cousin attended school with her. She was a pleasure even as a little girl and I will remember and cherish our friendship. God bless and keep her family.##imported-begin##Edith Estlack##imported-end##

“ Dorothy Lion was a high school classmate. The class of 59 just celebrated their 50th reunion last fall and the only sad note was the number who had passed away, followed by the number who could not join us due to poor health. My deepest sympathy to Dorothy's family. Linda##imported-begin##Linda Wilson Brown##imported-end##

“ *May the comfort of God help you during this difficult time. "What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget."##imported-begin##Rich and Lana Robinson##imported-end##*
