“ I'm so sorry to hear about Mrs. Desenberg, my family and I had the opportunity to meet her last year.

She and Sue, came to our home for Christmas, we spent the entire day, and part of the evening together. She was a sweet, and classy lady, with a great sense of humor.

One simply would have never known that she was 103.

What I will always remember of Mrs. Desenberg, was at dinner, somewhere in the conversation she and I were having, she said the sweetest thing, "Sue, is my best friend."

That says it all. I know that had such a special relationship.

Our prayers are with you, and her entire family.
