“ We wished we had known Dot, her father and my father, Carley Wiggins, SR. were first cousins. Searching for families we read her obituary online and wanted to meet you all. We hope to returne to Brittons Neck soon to visit with her children that we met after the funeral. Our prayers are that your days ahead will be healing ones with our Lord's comforting arms around you. Carley and Helen Lane Wiggins###imported-begin##Carley and Helen Lane Wiggins###imported-end##

“ It saddens me to hear of the death of Aunt Dot. She and Uncle Jack where a fixture of my early childhood. She is the last of my "older generation". Now we are the "older generation". Mom was staying with Granny and Granddaddy Wiggins when I was born and Aunt Dot was still in high school. Mom said Aunt Dot would carry me around all the time while she was home. I guess that's why I always felt a bond with her. I haven't seen her much in the years since Mom passed away and I regret that. You always think there is plenty of time until there is no more. My sincere condolences to all my cousins. I know you will miss her dearly.###imported-begin##Ronald D. Singleton###imported-end##

“ Dear Kim and Family, We are saddened to hear about the loss of your mother. Please know that you are in our thoughts and prayers. A mother is a wonderful treasure and I am quite sure that you have "many" special moments that she will always occupy in your heart. Take care and know that we are here for you.##imported-begin##MELONIE SHEPARD & CLASS##imported-end##
