“ Dear Collette and Family, Please accept my deepest sympathy and condolences at the passing of such a great person. At times like this it is comforting to look back at the great memories your mom created for all of us... "hey would you like a cup of tea?" the first words out of her as you came into the house. I still can hear her laugh, how it was contagious! Take care of each other, with warmest regards, Pat.###imported-begin###Pat Boehmler###imported-end##
