“ *My Dearest and Best Old Friends Alicia and Kenneth,
Kenneth and I send our deepest sympathy to you and your family.
May God bless and keep you in His loving hands and carry you
through this troubling time.*

We will all miss your Mother as I know Aunt Lowell too will miss her special friend. Dot has always been here,.. I guess we expect them to be here forever. But even we are getting older. I remember the nights we spent together playing our guitars in the living room and staying up way past our bedtimes as we giggled about the boys....we thought we were tough with our karate, didn't we??? I still have one of Dad's old movies of us in my front yard trying to be tough! Your Mom was always so sweet. Sometimes we take them for granted. But we were so very blessed to have such sweet parents in our lives. I guess we are what they put into us. And we need to thank God for his gift of providing us with such special parents.

*Love you much,
Elaine D. West-Huggins & Kenneth T. Huggins*

“ Dear Lee,

I was very saddened to hear about the loss of your mom. She was always so nice to me and especially gracious when her house was so full of all us kids when you hosted the "Scary Movie Night" marathons! She had to be a great mom to put up with all of us. I wish I could be there for you today. But, please know that even though I'm here in Tennessee I still think of you often and I value the friendship we've shared. My thoughts and prayers are with today.

With much love and sympathy,

P.S. Maybe the next time I'm home we can get together and share memories of all those fun times!
