“ Dorothy, Bill, Tony and MaryJo were all so much a part of our growing-up in KY. Such a treat when we could all be together playing on the farm, going to the circus, late-night pizza, so, so many memories. We've all moved in different directions and don't get to see much of each other, but we're still together in our hearts. God bless you.##imported-begin##Martha Inman##imported-end##

“ Dottie was a dear, gentle lady who loved everyone and was loved by all who knew her. I opened the first account at Conway National Bank for her and Bill when they moved to Conway and they both were a joy to get to know. Dottie never failed to give me a hug when she saw me. My sympathies to all of you. Bobbie Pate##imported-begin##Bobbie Pate##imported-end##
