“ Dear Steve, Bill and I were so saddened to see in the paper that Dorothy passed away. I know it has been many years since we have seen each other, I hope you remember us, but I have thought about you many times. I just lost my dad a few weeks ago and have that empty feeling, I can't imagine what yours is like being your mate, but I will pray for yours to be filled with God's peace and comfort. He is the only one that can heal that, in time. And he will. I don't blame you for moving to the ocean, it sure can speak. You can seek solace there. Wish I was there with you. God bless you, brother Steve. We love you. Marilyn & Bill###imported-begin###Marilyn & Bill Creel###imported-end###

“ I'm so sorry for your loss. I lost my father to Alzheimer's this year so I can understand your pain. This is why the Bible calls death an enemy at 1 Corinthians 15:26. But Jesus gave us a hope for the future in the Bible at John 11:25: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." So we will be able to see our loved ones again by means of a resurrection. At that time we will never have to lose them again because death will no longer exist. God has assured us of this in the Bible at such scriptures as Isaiah 25:8, Isaiah 26:19, and Revelation 21:4-5. Isn't this good news? Please read these scriptures in your own Bible. Sincerely, Ms. Simmons###imported-begin##Rosemarie Simmons###imported-end##

“ My prayers go out to Dorothy's family, I know she will be sadly missed. I worked with Dorothy for many years at St John's. Always loved her jovial attitude and her jokes. She was a wonderful person and will always be in my memory. She always talked lovingly about Steve. She really worshiped their relationship and how he would care for her when she was under the weather. I remember when she had (I think) foot surgery and could not get around Steve was always there to help her out. Teresa Wrin###imported-begin##Teresa Wrin###imported-end##

“ Steve and family, I'm sure sorry to hear about Dorothy's passing. I had the pleasure to get to know and work with Dorothy at St. John's. I remember her as a very caring person and took such good care of her patients. She was always such a practical joker and always had her coworkers in good spirits no matter how hectic it was on the job. It was sad when she decided to move but she was so excited about her and Steve's new life. I know she is in a wonderful place but she will be missed but if I know Dorothy heaven is even brighter now with her up there. God bless! Susie Phelps###imported-begin##susie phelps###imported-end##
