“ *I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*

Lewis and I would like to express our sympathy for your loss of this beautiful lady. I know without a doubt where she is today and that gives me great joy. I am sorry that I did not know you her children. I do want to say that I grew up on an old dusty road with this lady when we were young and I was a little girl. She would let me fall asleep on her shoulder while we rode the bus for miles to get home from school. I have always had a special place in my heart for her and the beautiful people I shared these rides with twice a day. God love and care for you all til we meet once again in Heaven to never be seperated ever.

I remember Dottie from way back when we worked for different neighbors gathering tobacco. I remember her as a wonderful, hard working person. I am deeply saddened to hear of her passing. My condolences to her entire family.
