“ I just saw this and wanted to express my prayers for all of you, especially her oldest son Richard who I knew when we were students at Richmond College in the early 1960s. I was invited to come to visit on semester break, a visit that I still remember to this day. I have not seen Dick in many years but have thought of him many many times over the years. May all of you be comforted with the memories of a life well lived.

“ Cousin Dorothy was married to my Donald's Uncle Dick. He was 13 years older than Don and used to live to say that he used to diaper Donald when he babysat him and brother Bruce. Cousin Dorothy is one of the reasons we settled in Murrells Inlet, SC 25 plus years ago! She was so gracious to us as we began our search for a place to retire and drove us around to show us areas. She encouraged us that there "is life after work" and that we should be careful not to get too busy!! I have a print of a painting of hers on our wall. A lovely lady who always made us feel welcome whether in Litchfield Country Club home or The Lakes home. The Lord bless all her family. We know she will be missed!
