“ I am the daughter of Ernest Vaught, He worked with Buck at Hunter Ford. My Mama and Daddy thought so much of both of them. My bus turned around at their house on 544. I still think of them every time I pass , Just last week I asked my husband if he thought they were still living. My prayers are with all the family. Freda Vaught Hardee

“ *Of my I have so many wonderful memories of Aunt Dot. My memories go way back to the 50's. She was such a kind wonderful southern Lady. I did not live in South Carolina back then but couldn't wait to come see Becky and spend time with her and Aunt Dot. I am so sorry Becky and Bucky but I know your mother is in such a better place with no pain or struggles.*
