I just learned of the passing of Aunt Dottie. After connecting with Aunt Dottie in 2010 I found her to be a warm, caring and loving human being. My thoughts and prayers for comfort are with her family.

“ Dorothy and Al were my dearest sweet loving neighbors for many years. I have many loving memories that I spent with both of them. I will miss them and think of them until I am also gone. I could not have asked for more loving and caring friends to me, much more than my neighbors. Dorothy shared with me many times how she missed Al. She is with Al and God in her heavenly home. I will always miss them. God bless both of you,
Sarah

“ Spring Forest will miss this lovely lady. Our porch visits always nice, especially if we discussed country music and Alan Jackson. Dot was blessed by her caring daughters over the years , especially Susan with whom she resided. Rest in peace, sweet lady with your hubby Al.
