Tribute Wall

“ *The passing of a loved one is never easy, which is why I would like to extend my deepest condolences. It is my hope that you gain strength from your family and friends as well as, rely on God. At times like these, it is comforting to know that you can turn to him for help. Psalms 55:22 lets us know that we can throw our burdens on him and he will sustain us. May you turn to him for help knowing that he cares. It was never the desire of God for man to die, rather he wanted us to possess the earth and live forever according to Ps. 37:29. We have the prospect of doing just that and reuniting with our lost loved ones in the near future. Acts 24:15 lets us know that there will be a resurrection for both the righteous and unrighteous. You can have full confidence that this will one day take place because Hebrew 6:18 tells us that it is impossible for God to lie. We must be patient concerning such things, knowing that all He purposes will come to be. The time for mourning will come to an end Isaiah 60:20 by means of God's kingdom spoken of at Daniel 2:44. This kingdom will be an indefinitely lasting one that will not be brought to ruin, therefore such things as death will be swallowed up forever Isaiah 25:8. May you look forward to the resurrection and trust in God's words.##imported-begin##Freda##imported-end##*
