“ Dear Family of Dottie's,
It is with much sadness that I learned of Dorothy's passing. Dorothy and I were very good friends in our early years. In fact Dorothy was my maid of honor when I got married. We were such close friends thru our student nurses days at OVGH. I am sorry we lost tract of each other over the many years that has passes. Dottie was a wonderful lady and such a very good and caring nurse. I know she is reaping her heavenly rewards now. Till you meet again let your loving memories of her support you in your time of grief.

“ I did know Mrs. Winters, but wanted to express my appreciation to her for the care she provided as an Registered Nurse to her patients over 40 years. In these times when the COVID-19 virus is among the patients in hospitals and doctors' offices, we appreciate the caring and medical knowledge of the nurses. Thanks to all of them. If you know a nurse, please take a moment to say, "Thank you."
