“ Linda I know how much you loved your Son and the heartache you are having to go through is more than I can comprehend. My prayer for you is that you will lean on God and all of us that love you. Logan, my precious Grandson, you know how much I love you. My heart breaks for the loss you are feeling. I am so thankful that Jessica has come into your life. The comfort that she will give you, makes me love her all the more. You know that your two Grandmother's will be here to help you too. I laugh every time I remember your Daddy taking me on that four wheel ride through the woods. That was one wild ride. I loved your Daddy.

“ With Doug's love of fishing. I'm sure he is in heaven with a fishing pole sitting beside Mr. Laddie and Ms. Lounelle telling him how to bait the hook! I know that he is at peace now. Linda, I can't imagine the loss you are feeling. Just know that I love you and that Randy and I are here for you. To my beautiful son, Logan... I love you more than words can ever describe. My heart is breaking for you. You will have tough days ahead of you. I will be with you and help you thru this difficult time. It's sad that your Dad will not be here to see you graduate college, get married to Jess, and someday have children. But, I know that he will be watching and will be proud of you. He loved you.

“ Douglas was a loving and caring person. He was loved by many. I remember him as a little boy when he went to church with his grandfather and grandmother he was a rambunctious little boy but they loved him dearly. He was always trying to pull jokes on anybody he could especially his mother. I loved Douglas and he will be missed by many. I know he will be rejoicing again with his grandparents and his uncle michael.. I will pray for comfort for Ms. Linda and all of his family .
