“ Dear Rudolph will be missed by us all. He was the first person to take a great interest in the Tyler Research when my mother and I started. I looked forward to seeing him every summer at the Tyler Family Reunions and wished that I could have spent more time with him. He was very inspiring and knowledgeable. He greeted me every year with a big hug and immediately bought an updated book of Tyler research. Every year he couldn't wait to see what new information we found over the winter months. He was an asset to our family and the community. Our deepest sympathy to his wife and family. sincerely, Beckie Allen Alexander, daughter of Lonnie Allen and grand daughter of Mattie Tyler Allen.##imported-begin##Rebecca Allen Alexander##imported-end##

“ Farewell dear cousin. You will be remembered and you will be missed. My sincere thanks for serving your country in a time of war. It is too bad you had to depart so soon. But agent orange is wiping all the Vietnam Vets out rapidly. I will continue the fight for the Silver Rose and deserving vets like you. I will place your name on the In Memory Plaque in Washington, DC. I'll see you in heaven. ~ Cousin Carolyn ~ The only Tyler woman to serve in the Army.##imported-begin##Carolyn Tyler##imported-end##
