“ Since we can't be there this weekend, I'd love to share some fondest memories. I remember being there with him and his pastor and others when he dared to stop eating MREs (military packed food) and eat regular food and got the victory! We were all so happy:) I also enjoyed feeding him and my husband snacks while observing their chess games. Drake was so thrilled at finding a worthy opponent and in awe of the counter moves! Many of us in his church circle loved discussing his and our dreams and visions and end-time prophecies being fulfilled in our midst. And the brightest ray of sunshine he brought was when he'd fall on the alter, not to ask for anything, but just to bask in The Presence of his Daddy God!
