“ We plan to be at the visitation but wanted to also let you know how sorry we are. Because I had a sore throat & feared exposing her, didn't want go to see her at hospital that first weekend. We mistakenly thought Dulane had left the hospital and was with one of the children--so shocked to hear of her death. You have all our sympathy and you are in our prayers.###imported-begin##Jan Marko & Bill Spivey###imported-end##
