“ It’s been 9 years since you left us. I’m still as heartbroken as the day I heard what no Momma wants to hear “He’s gone”. No! WHAT do you mean he’s gone? GONE where? No, No, No..NOT MINE. I cry everyday..still. I still keep hoping to wake up from this nightmare that has become my reality. That you will walk in that door & say “What’s up,Sunshine..☀️ as you have me in a bear hug. This family changed that day..we haven’t been or will ever be the same. Just not possible. I love & miss you kiddo! I love you to the moon & back & from infinity to beyond! One Love...Momma

It's been 2 yrs now & the pain of losing you isn't getting any easier,it's worse every day. I miss & love you more than you could of ever known or know. We sent off a paper lantern last night in your honor. Kaylee is amazing and beautiful. Megan is such a great mommy. I know if there's anyway you are watching over them. Your life was taken way too soon, you should have been able to be the daddy to Kaylee you were & wanted to be. You & Megan had plans of a life together, but you were gone, no goodbyes, no I love you, u went to sleep not knowing it would be your last. You never woke up, I'm thankful that you didnt suffer in pain from the heart attack. You are loved & missed. One Love, Momma

U are always on my mind and I pray u are happy. You are my firstborn and there was a special connection between u n I. We were close and I'd give my own life to of saved urs. I grieve daily and don't understand why this happened . Life as I know it changed forever. I love u baby..and I can't wait until the day I am with u again. U were my heart n now I don't have one....when u took ur last breath u took me with u. I'm a shell now with nothing. I just get thru the days, no happiness anymore. U were the truest and purest love of my life. U showed me what love was. I was a teen mom and never thought that God made me a teen mom to take you back so soon. I miss you...One Love, Momma*

*When you were little I always sang " You are my Sunshine" to you and then when our brothers came along, U and I would sing it together to them. I never knew that the phrase "please don't take my, "Dustin, away", would one day come to pass. God called for you way to early, I wish he could just gave Kaylee some time to have some everlasting memories for her to cherish of her own. She will always know you thru Megan & your Mama. We will keep your memory alive. We all love and miss you.
My heart aches everyday for you and as the days pass it seems to get worse not easier for me. But I am thankful that you are at peace. When my times arrives I hope you are right there waiting for your mama, I sure will be glad to see my baby again. ~ONE LOVE~*

I pray for this Family in their time of need. I wish Dustin could see how strong his Mother has become, it is so sad he is not able to see, Shannon has turned to God to help cope with this had time in life. I know Dustin is at peace, I will see him again someday, we will be walking with Jesus together. Peace to his Soul. Amen

“*Here's a teddy to my daddy who I love and miss very much. I'm sorry we didn't get to spend much time together daddy but my mommy will make sure I never forget you. She knows and I know how much I meant to you. I love you daddy and I always will. I hope your happy up in heaven. Make sure you watch over me daddy because you know since I'm just like you I'm going to be a handful 😊 I love you and miss you daddy. I wish you were here. I might not understand what's going on right now because I'm so young but mommy will make sure she explains it to me and makes sure she will never lose any pictures or videos of you so I'll have them forever. Mommy says to never say goodbye, so I'll see you later daddy. I love you and miss you more than anything! But don't worry mommy is taking good care of me. Love your one & only baby girl, Kaylee Nicoke Bryant 🥰💕❤️👉??*

“ *I know you are up there watching all of us down here. I know we fell apart and didn't talk anymore except when we saw each other at stores and stuff. You were a good friend and always there when someone needed you. RIP Dustin. I pray for your family and if y'all need anything, please let me know.*
