“ Our words will never express the sympathy we have for your family. I would like to Thank Dwight for being a Great friend, who could listen, complain and agree and agree to disagree no matter what and a Fantastic Brother-in-Law to us both. We are so fortunate to have had the pleasure of meeting you. It's alright to laugh, share a memory. For those memories keep Dwight near. They also keep him locked safely in your heart. I was told by two people, that I have a new angel. They are so right!!!! We love you, Bill and Sue

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”
