“ *Dear Monaghan Family - I am very sorry to hear of EJ's passing. I have such good memories of him from the 80s back in Uniontown. He was witty, fun, resourceful and down to earth. I remember many great conversations with him and Ned and Michael, BS'ing about this that or the other. God bless him, and you all as you grieve.* ”

Your husband and dad was one of my dad's best friends. You have my deepest sympathy in your loss. My father was Charles Bosley. Ginger, you and E.J. came to his mass. E. J. was such a wonderful person. I remember some fun times as a child at your home. My dad loved your dad. I will always remember what a wonderful person he was. You and your family are in my thoughts and prayers.

“ E.J. gave me my first job after I lied and said I knew how to drive a truck. When my mendacity became obvious, he reminded me of my false claim. Letting that sink in a moment, he then showed me why the truck kept stalling. Though more than five decades in my rear-view mirror, that memory aligns perfectly with others of a boss who always was kind, generous, warmhearted and, perhaps above all, forgiving. My condolences to Mrs. Monaghan and your children on the loss of a wonderful man.

“Ginger, Ned, and Michael,
Having known E.J. all my life, I can truly say he was a good guy. I can remember his helping my father shingle our house in Hopewell. He was all of about 15 when he spent many days in the sun, drinking iced tea, and being an all around good guy. I am happy to say he was always a great cousin to Margaret, Gibby, and me. I know he will be sorely missed by all who knew him. Our thoughts and prayers are with you all.
