“ As with many, memories go back a long ways. What stands out most of all is when our son Deryl started his job with Hilcrest Cemetary in 1989 and Earl was in charge. He worked with Deryl and taught him a lot about responsibility, respect and commitment. We believe he had a lot to do with how well Deryl is doing today. He has been with Coastal for 19 years, and doing great. We know you are hurting but rest in the thought that this wonderful man touched a lot of lives while he was here on earth. We are glad we had the pleasure to know him. He has made a difference in this world. May God watch over you and yours and give you strengh through this painful time is our prayers.###imported-begin##Jeanne Edwards###imported-end##
