“ *It's almost been a year since God took you home. I still pick up the phone when something funny happens or I just need the reassurance only your voice could give, only to feel that pain again knowing you are no longer near. I thought time heals all wounds, I was so wrong, it doesn't heal them at all. There's a part of me that was you Dad, and now it's just so empty. I miss you Daddy...Till we meet again.##imported-begin##LaVerne##imported-end##*

“ Why is it as soon as flowers are placed on your grave...they are removed. Well the flowers can be removed, but one thing that cant be removed ever is our memories and the love we shared as a family. We love and miss you! "Your Girls"###imported-begin##Vicki###imported-end##

“ Mrs. Virginia, Lloyd and Tina, I was so sorry to hear of Mr. Earmel's passing. He was a wonderful man and always had such kind things to say. Lloyd and Tina, when he and your mom would come to the bank he would always update me on where you were and what you were doing, he was so proud of you. May you find comfort in knowing that he is resting in the arms of our heavenly father. Love, Joyce Taylor###imported-begin##JOYCE TAYLOR###imported-end##

“ *Daddy, It was very precious to me being with you as you left this world. It's something I will never forget. I made a promise to you and I plan on keeping it, just keep watching, I'll be there...and Daddy I know why things happened the way they did, and I'm so glad you got to explain it to me. You gave me peace where for so long I could find none. I love you Daddy##imported-begin##LaVerne##imported-end##*
