“ I was shocked when I heard about this. Eddie was a great friend growing up. He would go out of his way to help anyone. I really regret that I had lost contact with him the last several years. Condolences to Sandra and entire family

“ Mr Eddie was a good and honest man. A hard worker, who would help you do anything. He came to our auctions for years and always bought things he could take home and fix and make them run. He will be dearly missed by the Gov World and Worldnet auction families.

Love and prayers to you all, Chuck and Michelle Easler

“ Eddie was a high school class mate. Through many years as we met at various places we hack at one another, but always in fun, never to hurt, but brotherly concern. I will miss him. 😞
