“ *My condolences to the family and friends of a great man/mentor/friend Mr. Eddie Watts. Eddie was the most kindhearted and friendly man I've ever met in my life. He was an inspiration to us all. I would come by and sit for hours just talking about good times, food, chickens, and all his old hot rods. He also was one of the strongest individuals I've ever had the privilege to meet. That man would be in constant pain from working his butt off everyday and still manage to smile and warm the moods of everyone around him. You will be missed Eddie.*
