“ My thoughts and prayers are with Mr. Beery's family. I went to high school with Mark, and I remember many enjoyable days and evenings building floats at the Beery house. I also remember sitting in the living room and talking politics with Mr. and Mrs. Beery while my peers partied on the other side of the house. I do not see any TJHS folks around here anymore, but I occasionally see where a parent of one of my classmates has passed. It seems like yesterday, doesn't it? You are all in my thoughts and prayers.
