“ To the family: So sorry to hear about \\\"Bones\\\". I have known Irene and Bones since they bought the house from my husband, many, many years ago. They both were dear, sweet people and I know he was having a hard time after Irene died. Bud, my husband, passed away several years ago and I was not aware that Edgar;s emphysema had caught up to him but my sincerest sympathies oto you all. Sincerely, Edna Muser##imported-begin##Edna Muser##imported-end##
