“ To all of the Watson family. We have had the good fortune to have known all of you in one capacity or another over the years. Joe and Edie were the kind of parents everyone from a less than perfect family always wished they had. We have fond memories of them both. And, some of the most fun times we can recollect were with Ben, Joe G. and Beth. You are all in our thoughts. Edie will be missed. Our most sincere condolences go to the entire family.
