“ Mom, You were without a doubt the stongest lady I had ever known. You never cared about yourself, only your kids. From the first day I met you in Maine when we were all in Leroy's van after we bowled and you said " We've got everybody, lets head back home" to your very last breath when I was with you in the Hosp. room, I loved you and look forward to seeing you soon. God Bless and have a good rest. Mike###imported-begin##Michael O'Dea##imported-end##
