“ One lasting memory from the summers of 1966/1967 I will always have is the train trips we made from Long Island to Baltimore. Even though Aunt Edith & Uncle George had more than enough family in the house, they somehow found room for a few more guests. I'll always be amazed at how many varieties of breakfast cereal boxes they would roll out each morning. Thanks for your gift of hospitality.

“ *Dear Uncle George & My Cousins,*

*Aunt Edith exemplified the life we are called by Christ to live. Her unselfish love for others and faithfulness to the promises of God showed in her life everyday. She is not gone but has graduated to her eternal life with God in all His glory. She has heard the words @ the gate of Heaven " well done, my good and faithful servant". I look forward to the day I will see her again.*

*Psalms 119:49*

*Remember your word to your servant,  
for you have given me hope.*

*My comfort in my suffering is this:*

*Your promise preserves my life.*

*I wish Karen & I could be there with you. Please know you are and will be in my thoughts and prayers. Love you all.*

“ *Dear George & Family,  
Approximately 50-years ago, George told me that he and Edith wanted a family large enough to fill a church pew. That was accomplished. But, if one were to look at their family today they'd find that their family fills 3 or 4 church pews. Edith, along with her lifelong partner, did a great job in raising their family. Edith was loved and will be missed. RIP.*

“ Aunt Edith always showed me the love of Christ. She remembered and acknowledged special moments in my life, and this really touched my heart because she had such a large family of her own. Aunt Edith was generous, kind, and truly interested in others. She always made me and my family feel special and welcome. She demonstrated the fruits of the Spirit for all of us. I thank the Lord for blessing us all with her life. I know her faith and trust in Jesus Christ as her Lord and Savior is reason to celebrate. She's in His presence right now and forever more! I will miss her so much, but look forward to worshipping alongside her when we meet again in His presence!
