“ *Dear Vick and Harry,  
I was really saddened to hear about your mother passing away. I have many fond memories of her and me through out the forty-five plus years that I have known her She seemed very dear to me along with your father. Although I couldn't make it to her funeral, that I found out about on Saturday the seventh, I will have all of you in my prayers. Just think that someday we'll all be together in Heaven forever and forever. Vick write me by e-mail or U.S. Postage when you can. I'd love to hear from you*

*In Jesus name I pray,
