“ We were so shocked and sorry to hear about Edna's passing. When we moved to Collins Glenn she and Mike were one of the first people we met. Right from the get go they were warm, friendly, helpful and a big part of our Collins Glenn Community. She was always walking or riding her bike. Edna will be missed but always will be remembered. Our sympathies go out to Mike and family. We are particularly saddened we could not be there at her Celebration of Life service as we were in FL babysitting our granddaughter. May God be with you during this difficult time.
