“ Susan & Mark, Words cannot even begin to express the sorrow I feel right now. Your family has been an integral part of my life, and the passing of your dear Mother saddens me greatly. The world is indeed dimmer without her smile and happy voice, but please take heart in the knowledge that she is in a better place now with your Dad. I like to think of the two of them sitting on the beach, the way all our parents did when we were kids, just taking it all in. I couldnt even begin to arrange all the memories I have, but that one is one of my favorites. I wish I had something more to offer, some sage piece of advice or knowledge Ive picked up along the way. But I fear all I can offer are my prayers and my friendship. God Bless and keep you both.##imported-begin##Steve Miller##imported-end##
