“ Beautiful memories of the special gift I was given as a little girl when I was invited to spend some summer vacation with my special Aunt Edna, Uncle Kenneth, Kent, Susie and Tami! Such a blessing to a little girl from Baltimore city, how I loved Mullens and all of West Virginia (I still have one of Aunt Edna's special recipes that I've used for my family and my kids loved it too)! Love, hugs and prayers to my special cousins during this difficult time.

“ Edna, was a very dear, sweet lady. She was always dressed to the nines. She was a lovely lady and one I will certainly miss. When she was in pain she always had a smile and that would light up any room, the church in this case. I know she was warmly accepted my our Lord. I chose a blue candle, because she had such beautiful blue eyes.
