“ *We will certainly miss you Edna. She was a huge support to me privately as she shared her dialysis experiences and knowledge she acquired. She reached out to me as I did to her through my last 4 years of dealing with renal failure with my mother. I prayed for her as she drive past my home to and from her treatments. Edna was one of the strongest women I know to handle it was grace. I will never forget you and all the support and love to your whole family. Love Andrea and Mark D'Amico- Ziel family*
