“ Dear Alice, Teddy, Tom, and Jill; While I am not able to be with you, please know that you have been in my thoughts and prayers. We were blessed to have Ted as part of our family. He was a wonderful "uncle" and so much fun to be around. Bill is there with you to share our feelings and I'm sure he is there with a heavy heart. Uncle Ted was a very special person that Bill shared many things with; home and at work. Having gone through this tragedy of life; try to remember the good things that make you smile through your tears, and time will make it a little easier.
