

Dr. Edward M. "Ed" Abrams

March 21, 1949 - February 28, 2026

Myrtle Beach...

Dr. Edward M. "Ed" Abrams was born in Conway, SC a son of the late Sidney David Abrams and the late Sylvia Ruth Solomon Abrams. During his growing up years, he spent most summers in Myrtle Beach. He graduated from Conway High School, the University of South Carolina in Columbia, SC, and the Medical University of South Carolina's School of Dental Medicine in Charleston, SC. In 1974 Ed married Nancy Harris of Greenville, SC.

While growing up, he loved Boy Scouts, and thus became a volunteer as an adult. He served as both a Cub Scout and Webelos leader and helped in other areas. He enjoyed working with wood and fixing things. Of all the activities he loved, fishing and boating were always his favorite.

After being a well respected and successful dentist in Myrtle Beach for about 20 years, Parkinson's disease brought about an early retirement and a change of careers. He opened a sports collectibles shop and enjoyed that for about 10 years. Ed was a member of Temple Emanuel in Myrtle Beach.

Survivors include his wife of 52 years, Nancy H. Abrams of Myrtle Beach, SC; three children, Greg Abrams (Mandy) of Columbia, SC, Justin Abrams (Hita) of Raleigh, NC, and Annie Abrams Rivers (Thomas) of Sumter, SC; seven

grandchildren, Camden Abrams (Hayden), Landon Abrams, Hailey Holcomb, Sarah Manning Abrams, Hannah Katherine Abrams, Addison Rivers, and Tabitha Rivers; one brother, Sam Abrams (Eileen) of Myrtle Beach, SC; and several loving nephews and nieces.

“ Nancy I'm giving you my deepest sympathies with the loss of Ed. He was such a sweet man. I'll always cherish the 4 years I worked with him at the Basball Diamond. My time there with him and Gene are unforgettable. Also the many years I groomed your darling Gracie girl. Sending lots of love to heaven to them. ❤️🙏

“ Nancy, my beloved Lonnie passed away on February 27 and Ed the day after. Two wonderful Jewish boys. Lonnie was so excited to know Ed was one of us at Brightwater. He loved seeing him with you at the various holiday celebrations. My deepest sympathy to you and your family. May his memory be a blessing. Hugs, Susan

“ While I didn't have the opportunity to spend a great deal of time with my cousin Ed and his brother Sam, I have very very fond memories of being with them on the beach, dinners at home and learning how to go crabbing. My thoughts go out to his family and his friends.

“ I am so sorry to hear about Ed's passing. I know that he struggled with Parkinson's I hope that he was comfortable when he passed.

I deeply wish him to be at peace in his new journey and for all those that he touched to be in comfort within their memories of a kind person who has left the stage.

Love to Ed and all those who grieve for him.

“What an honor to have been able to know Dr. Ed after he and “Miss” Nancy moved to The Manor. My own father was robbed of mobility through Parkinson’s therefore I was drawn even closer to wanting to help Dr. Ed.

In talking one day, I mentioned my hometown of Kingstree. I asked if he happened to know two of our retired dentist-Dr. Lucius Wates and Dr. David Grossman. Imagine my surprise that not only did he know them, but that Dr. Grossman had been one of his college room mates!! With Dr. Ed’s permission, I was able to arrange what I thought would be a phone call, that instead turned into a face to face visit between the former roommates. I’m so thankful that they were able to reconnect.

My last conversation with Dr. Ed was about a movie, “Mrs. Doubtfire “! I’ll always remember his smile and laughter as we shared some jokes that evening!

My sincere condolences to sweet “Miss” Nancy and the rest of his family.
