“ I first met you on a flight from Myrtle Beach to Baltimore, on Feb 13, 2020. We became fast friends as we were to depart around 1pm, but due to bad weather in surrounding areas, we finally departed around 8 pm. We enjoyed lunch together and a lot of conversations that day! I asked to be an email friend, and the conversations continued. I told you then, and I hold true to this day.....”You are my Hero”. I will miss you my friend! God Bless you... I’ll catch up with you next time.....

“ I only knew you for the last few years when I started bowling again at Myrtle Beach Bowl, but I always enjoyed talking with you about our mutual love of sports. I only knew you as "Ted" and never knew we actually shared our first name.
